

## Product Financing through Compeer Financial

### About the Financing Process

Compeer and Sun Ag, Inc have worked together to create a digital streamlined financing program to meet individuals financing needs.

Financing is available to assist individuals in purchasing retail farm input supplies as well as goods and services related to agricultural production.

### Program Highlights

- Easy on-line application process
- Timely loan approval turn around
- Attractive rates

### Loan Terms – Non-Revolving/Declining balance

- For 2022 Crop Season and due in full March 1, 2023
- Minimum of \$50,000 and not exceeding \$1,000,000
  - Loans up to \$250,000 will be unsecured with a “Springing” blanket lien feature effective upon default
  - Loans in excess of \$250,000 to \$500,000 will be secured at the outset of the loan with a “best available” blanket lien
  - Loan in excess of \$500,000 will be secured at the outset with a first priority blanket lien

### Application Process

Clients in need of financing will work with Sun Ag, Inc to obtain a link to the online Compeer loan application. There are 3 different applications available.

- Clients applying as individuals
- Entities applying for financing
- Multiple applicants applying jointly

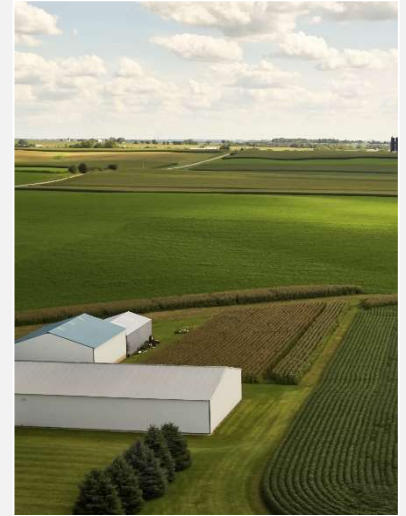

### Loan process

Completed applications will automatically be forwarded to Compeer Financial for processing.

- Once the application is routed to Compeer, a member of the Compeer Client Service team will review the application and seek loan approval
- When loan is approved the Client Service team member will contact the client to let them know the credit decision and review loan details
- Once all details have been determined, loan documents will be prepared
- Loan documents will be sent to client for eSignature via DocuSign
- When signed documents are returned the loan will be booked and funds will be available to be disbursed. **Note:** this process could take up to 2 days before disbursements can be made.

### Disbursement requests

- All disbursement requests must come from Sun Ag, Inc via a “Wire Request” form. These forms should be emailed to [AgTechFinancing@compeer.com](mailto:AgTechFinancing@compeer.com).
- Invoices accompanying the wire request can be attached to the request or emailed over separately
- Wires will be processed and funds sent directly to Sun Ag, Inc
